State Policy/Law: SBTCE Policy 1-2-102

Commission Chair

President

It is the policy of the Technical College of the Lowcountry that any publicly disseminated information by the College must be consistent with existing policies of the State Board for Technical and Comprehensive Education, the College's area Commission, and the College.

All disseminated information will reflect the purposes and goals as stated in the College's Mission Statement in a manner that is clear, factually accurate, and current.
