

TECHNICAL COLLEGE
OF THE LOWCOUNTRY

**POLICY: Library Collection Development
Number: 3.4.2**

Responsibility: Academic Affairs (Learning Resources Center/Library)
Last Updated: March 23, 2023
State Policy/Law:

Commission Chair

President

The Library of the Technical College of the Lowcountry provides instructional support to the students, faculty, and staff of the Technical College of the Lowcountry by engaging in a systematic collection development process. Selection and deselection of library materials is conducted by library personnel and TCL faculty members, with requests from TCL faculty, staff, and students receiving consideration in development of the collection. The final authority for collection development and acquisitions rests with the Dean of Learning Support.

Procedure:

3.4.2.1. Library Collection Development
