The Technical College of the Lowcountry is committed to minimizing financial barriers by providing financial aid for eligible and qualified students. Financial aid may include grants, scholarships, veteran education benefits, employment and student loans.

The College administers all financial aid programs to:

1. Enable students to plan for the most efficient use of both personal and financial aid resources, and
2. Offer financial aid consistent with individual student need.

Financial aid programs offered by the College are compliant with all federal, state, and local regulations.
