2	I did not obtain the minimum score required for the achieve3000	10/25/2021 3:25 PM
3	My transcripts from finishing high school are from Ireland and I couldn't figure out how I was to get those to you. I added the docs but it still kept telling me I had to do something else (apologies I can't recall what it was). It just became very frustrating. I still want to enroll and may try again in the Spring.	10/25/2021 2:28 PM
4	Wouldn't have enough financial aid	10/25/2021 2:25 PM

10	I tried to make contact with TCL and had appointments for call backs that never happened. I received texts that I was next in the que but I never received a call to discuss my status as a transfer student and what credits would transfer to TCL	10/21/2021 4:59 PM
11	The two classes I chose were canceled. I was hoping to learn more about solar power and the whole program is gone. I was going to take a forensics lab, but that class was also cancelled and both still in the catalog.	10/21/2021 3:43 PM

13	I am trying to enroll. I am waiting for the advisor to say I can register for classes.	10/21/2021 3:19 PM
14	The classes offered for dual enrollment were none that I needed now or in the future. I have however, completed and submitted my application for Fall 2022 to Rock Hudson, for your Welding Program. he has been in touch and I am to call him once I see the courses released for that term to select the correct classes.	10/21/2021 2:55 PM
15	After visiting 3 times I was told that I would have to take 2 - 7 week courses on Sanitation and math.. Needless to say I was very disappointed.	10/21/2021 2:48 PM
16	I enrolled in and completed the CPT certification program through continuing education.	10/20/2021 2:41 PM
17	Staff was not attentive, everytime I'd reach out with questions or concerns no one seemed to have any answers, so I decided to enroll elsewhere.	10/19/2021 8:17 PM
18	Missed the deadline to enroll for the Fall semester. Waiting to enroll for Spring semester.	10/15/2021 3:02 PM
19	Applied too late for Fall semester courses, hoping for spring 2022.	10/15/2021 1:49 PM
20	My financial aid application was still 'in review' when classes started and I did not have the financial means to make a partial payment pending the approval process.	10/15/2021 10:06 AM
21	Unsure of what I want to do with my life. Thus, I am unsure of what to pursue as a degree.	10/13/2021 5:38 PM
22	Masks required. I cannot wear a mask. I believe it is infringing on my rights as a human being to be forced to choose between furthering my education and forced to wear a cloth over my face that inhibits my ability to breathe freely, and actually comprises my healthy immune system. When you lift the mask mandate I will consider enrolling at TCL.	10/13/2021 5:32 PM
23	I had to reconsider what I wanted to go back to school for as I have a special needs child at home and need to complete a program that can be done online. I have decided to move forward with the Pharmacy Tech program if I am approved for a scholarship.	10/13/2021 4:58 PM
24	I am working on my prerequisites to qualify to apply for the nursing program at TCL as a transfer student from Raritan Valley Community College (RVCC) in New Jersey. I am prevented from registering for the classes I need such as statistics and microbiology because of the number of prerequisites for those classes. Therefore I elected to take those classes online with RVCC which has cleared me for all of the prerequisites for nursing.	10/13/2021 11:25 AM
25	I was not able to secure funding from the Department of Employment and Workforce since I was laid off in January 2021. They never reached out to me (returned my repeated phone calls or answered my emails) when I tried to finish the application process. Therefore, I can explain why. And since I am not a protected class, I feel there is way to move forward with the application.	10/13/2021 10:01 AM
26	I have a previous balance and cannot afford to pay it to start classes. Economic hardship due to many reasons.	10/13/2021 8:34 AM
27	I missed the cut off to register for classes	10/13/2021 8:15 AM
28	I was told I had to wait 3 years before I could apply to the nursing program because I had previously been in a nursing program at another school.	10/13/2021 3:19 AM
29	I would have to pay out of pocket. I have already used up Financial aid for here so I decided to attend USCB.	10/13/2021 2:39 AM
30	The number I kept calling for the massage therapy program (health sciences) a rep continues to transfer me to a line to speak with an advisor. The advisor never answers the phone and I leave messages and no one ever returns my call. It doesn't allow me to register for health science classes without speaking with a health science advisor first (listed on the website) The website also doesn't tell me that the massage therapy program doesn't start until May 2022. I found this information from another student. Because of this and the lack of communication it discourages me from even trying to attend TCL. I also ended up speaking with a different advisor and she wanted me to register for courses that had nothing to do with the MT program as filler classes to create a gpa which I thought was ridiculous... when I can transfer with credit and a gpa of 3.0+ from another Trident Technical College Honestly. Something should be done about the health science phone number because no one ever answers or returns voicemails	10/13/2021 12:40 AM

31	My financial aid didn't process in time, and I didn't have time to schedule classes due to conflicts in my schedule and also I would've had to schedule some kind of testing to test out of classes that I had already taken back home in Ohio, even though it said I didn't take those said classes previously. I didn't have time since I also decided to sign up for fall classes last minute.	10/12/2021 11:40 PM
32	Applied too late to take classes this term.	10/12/2021 10:08 PM
33	I wanted to be a full time student, and because I have a BS already I was unable to take all the classes i wanted.	10/12/2021 9:24 PM
34	Pushed to Spring 2022.	10/12/2021 8:46 PM
35	I had to take a lot of remedial classes in order to get to college level. I took the English and math Accuplacer tests and didn't score high enough. I took it again and still failed.	10/12/2021 8:41 PM
36	I was very eager to attend this college but the woman that was suppose to assist military families with the enrollment did not want to do anything to help me with the process. When called she would sound very annoyed and questioned why am I even calling her that it's "easy" to find on my end but obviously I was calling for help. I just ultimately chose that since no one wanted to help me (except the fasfa lady) that I would just give up.	10/12/2021 8:36 PM
37	I went to high school in another country and did not get my transcript in time to register for school	10/12/2021 8:33 PM
38	Third party had difficulty sending my HS transcript, TCL received on Oct 2, deadline for ADN Nursing Oct 4- desperately needing to get situated sooner than later to complete LPN-RN	10/12/2021 8:29 PM
39	No assistance or help with the process. Did not know how to register for classes or what classes needed to be taken. Given the "run around" when asking for help.	10/12/2021 8:26 PM
