PARENTAL PERMISSION FORM

TECHNICAL COLLEGE
OF THE LOWCOUNTRY

TO BE COMPLETED IF STUDENT IS 17 OR YOUNGER

This letter is to inform Technical College of the Lowcountry that I, _____
(parent/guardian) give my minor child _____ permission to take classes at
Technical College of the Lowcountry beginning summer semester 2022.

I understand that he/she will complete the admissions process and register for spring semester as a full-
time or part-time college student, taking into consideration that he/she will be an “early graduate” from
_____ High School.

I also understand that my child’s high school will be required to provide the Early Graduation form
completed by the high school to Technical College of the Lowcountry stating that my child has met all
South Carolina graduation requirements; along with my child’s official final high school transcript (their
final semester grades included, including the final GPA). If the form and final transcript are not received
from the high school before June 10, 2022, I understand my child may be dropped from their summer
classes.
